Friends of Cardinal Kung

A prayer Group for the opening of the cause of sainthood

Disregarding his own safety, Cardinal Kung, then Father Kung was obedient to Pope Pius XII by accepting the position of Bishop of Souchou only months after China's People's Liberation Army marched triumphantly into Shanghai. He dedicated himself, his ministry and his three dioceses, Shanghai, Souchou and Nanking to our Lady of the Holy Rosary. He remained the Bishop of Shanghai, Apostolic Administration of Souchou and Nanking until his death in 2000.

Cardinal Kung lived a heroic life with unwavering devotion to the Roman Catholic Church enduring 32.5 years of jail, isolation and house arrest. To encourage his dioceses to remain steadfast while living under the new Communist government, Bishop Kung wrote In 1952, "**Neither fire nor sword can take away my faith in God.**"

"I felt that the whole Church could not but honor a man who has given witness by word and deed, through long suffering and trials, to what constitutes the essence of life in the Church." St. John Paul II, July 1, 1991

March 2025 will be the 25th Anniversary of the death of Cardinal Kung and 75 years of continued persecution of the Roman Catholic Church in China. Opening the cause will affirm the suffering of millions of Roman Catholics in China who refused to join an Independent Patriotic church in order to remain faithful to the Holy Church Founded by Christ.
